#### HOW WE GLOVE THE PLANET WITH GRIPSTRONG® NITRILE

- ✓ Inner boxes made with recycled material
- ✓ Outer cartons made with recycled material

GripStrong® Nitrile gloves provide superior gripping capabilities for multi-purpose protection at a great value, all without the risk of latex allergens. Advanced manufacturing technology gives GripStrong® Nitrile a softer fit and feel than traditional nitrile gloves allowing for maximum tactile sensitivity. GripStrong® is ideal for food, safety, janitorial/sanitation, and laboratory markets, plus they are ESD tested and approved, which is safe for use with sensitive electronics or flammable liquids.

HOW WE GLOVE THE PLANET WITH SEMPERGUARD® STRETCH VINYL

- Inner boxes made with recycled material
- Outer cartons made with recycled material

SemperGuard® Stretch Vinyl glove is designed with your protection and comfort in mind. The stretch properties of the vinyl resin allows for easy donning in wet or dry environments. SemperGuard® Stretch Vinyl is an upgrade from the average vinyl glove and is the perfect solution to those at risk of becoming sensitive to natural rubber latex. It is ideal for janitorial/sanitation, laboratories and food markets. This glove offers flexible fit, strength and protection, yet maintains maximum tactile sensitivity.
